

## Community Interest Group

The Community Interest Group is a service which circulates news items which may be of interest to those working in the community. Members of the CIG receive weekly (or occasionally twice weekly) mailings detailing the news stories for that week, which link to the VANL website where the stories are posted.

### Single Posting charges

	VCS Non-members / individuals	Members	Statutory/Commercial
Individual one-off articles/adverts	£20	£10	£25

Under-funded / unfunded voluntary groups can apply for a bursary.

Organisations sending regular news releases which are of interest to those working in the community can pay an annual subscription which would allow them to post all their notices for a one-off fee.

### Annual Subscription charges

All voluntary groups with income under £5k	Free of charge
VANL members with income over £5k	£10 membership

#### Non-members

Voluntary groups with income £5k-£50k	£25
Voluntary group with income over £50k	£50
Statutory organisations / businesses	£500 (£9.61 per week)
