Training Diary

In this August edition we'd like to wish you all an enjoyable Summer!

We have a new **Training Diary** - this can be found at www.vanl.org.uk and lists all of our new courses. All of the old faithfuls are back in the Autumn including Emergency First Aid at Work and Safeguarding, but we also have a number of new courses, including introductions to CBT, Meditation and Building Your Confidence. To find out more email us on training@vanl.org.uk

Projects

Our Projects continue to thrive and we are delighted that our latest group of Volunteers have completed their training to support our **Family Foundations** project, working with those who are affected by Substance Misuse. We are now recruiting for our next course which starts in September. If you are compassionate and non-judgemental and want to make a difference and can spare 2 hours a week to support families in our area please email alison.binns@vanl.org.uk

Our **Employability projects** continue to make a difference to those we are working with. If you are unemployed or unable to work through illness, but would like to develop your skills in a way that you determine, setting your own goals and working with supportive staff then please contact us on

Funding

01724 845155 or email enquiries@vanl.org.uk and ask for Helen or Francesca.

Related to funding please see the attached advert for the Lincs Lotto - any community group can register and the first draw is on 30 September!
